

2022 TESOL Training Courses for Local Kindergarten Teachers

English for Asia would like to invite you to its English Language Teacher Development Training Course.* This 10-hour course is made up of five, two-hour, interactive workshops that are designed to present new teaching methods and ideas to broaden your repertoire of English teaching skills. The course is presented by a qualified instructor and in some cases a guest speaker is invited to share their knowledge on the topic area. All sessions include practical lesson planning ideas and activity samples for teachers to take away and implement into their own classrooms. A certificate will be issued to participants completing the course.

We are proud to offer this course as part of the DSEDJ's Continuing Education Development Plan (CEDP). Macao residents aged 15 and above are eligible to enrol in this course using their government funding (course number 2110110299-0).
