

Why Schools Choose EfA

✓ Top-Quality Teachers:

DSEDJ-approved, TESOL-qualified native speakers with the skills and enthusiasm to inspire your students.

✓ Effective, Tailored Lessons:

Interactive and fun, aligned to your syllabus, boosting speaking, writing, and real-world use.

✓ Complete Support:

Free academic guidance, admin help and liaison to make everything easy for your school.

✓ Flexible Options:

Lessons during school hours or as extra-curriculars - whatever suits you best.

✓ Funding Available:

Many programmes qualify for DSEDJ subsidies, so high-quality English is within reach.

Transform Your Students' English Skills with Native-Speaking Teachers

Inspire Confidence and Fluency in English

Do you want your students to speak English with real confidence and skill? English for Asia (EfA) delivers lively, interactive lessons using native English-speaking teachers that fit perfectly with your school's curriculum. Your students will gain real-world English skills, develop confidence in communication, and excel academically, preparing them for future success. Many schools in Macao already choose us because our programmes make a noticeable difference - join them and give your students the edge they need in today's world.

A Trusted Partner in English Language Excellence

Since 2001 we've been the pioneering provider of Native English-speaking Teacher (NET) services in Macao. With DSEDJ-approved and qualified native teachers, we deliver proven, communicative teaching that builds lasting partnerships and stronger English standards.

Our Programmes:

Spoken English

Build confidence and communication skills with innovative and engaging lessons that give students a real reason to use English in school.

Phonics

Lay the foundation for reading, writing, and pronunciation with our engaging phonics courses.

English through Drama

Unleash creativity while learning English through drama! A fun, interactive way to develop language and soft skills.
