

2021 TESOL Training Workshops for Local Teachers

English for Asia would like to invite you to our new TESOL Methodology Workshops for local English teachers. Each of these two-hour, interactive workshops are designed to present new teaching methods and ideas to broaden your repertoire of English teaching skills. The workshops are delivered by a qualified instructor who shares their knowledge on the topic area. All sessions include practical lesson planning ideas and activity samples for teachers to take away and implement into their own classrooms. A certificate will be issued to each participant attending a workshop.
